INSTRUCTIONS FOR SUMMER VACATION ACTIVITIES

1

Firstly it is to inform that the **Mid-Term Exams** will be immediately after the summer vacations for all classes from Nursery to 9th. As such all students are hereby advised to prepare for your mid-term exams during this summer vacation. For all classes, the syllabus of Mid-term is the same as mentioned in your syllabus copies from F1 to F4 while for 6th to 8th the syllabus includes only F3 and F4. The syllabus copy is already provided to you and will also be available in your school notice board group and online on official website of school at [\[www.ieisoibugh.acsk.net\]](http://www.ieisoibugh.acsk.net).

2

A **Salah Weekly Chart** is provided to you enclosed with this summer vacation booklet. All students and parents are requested to get two printout copies of this Salah Weekly Chart. All parents are advised to make the child sincerely offer the Salah and tick this sheet and if any prayer is missed honestly cross out that prayer time in the sheet. This sheet will start from **6th July 2026 (Monday)** up to **19th July 2026 (Sunday)** i.e. two weeks exactly. It has to be submitted on the first day after summer vacations to the concerned form teachers.

3

A list of Summer Activities of **10 Tasks Daily** is also enclosed with this booklet. All students have to perform these activities daily as per the mentioned details in each activity and follow the guidelines and procedures to submit them accordingly. All parents are advised to monitor their child for performing these activities timely and sincerely. At the end of every day, the child has to write the journal. For this all parents are requested to get a **mini note copy of 15 pages at-least** for writing journal of 14 days of summer vacations. The format of each day journal should be same for all students in **9 points** of the Summer Activities. A sample journal format is attached with this booklet. The images and videos of the activities have to be submitted in the given link at <https://forms.gle/nsKfLfPw8KkqEBV9>

4

Educational Trip Report by Teacher and students of each class.

The school has conducted an educational trip for all classes separately. All form teachers will submit a report of their trip. The teachers of lower classes can write themselves and collect feedback of kids and write them in their report along with the name of the kids, while for higher classes, the teacher can assign the task to students of each class in creating a common report of the class, along with student and teacher feedback. This report has to be submitted in digital soft copy format. The resources and support for doing so will be provided by the school but the work has to be done by each class teacher and their students themselves.

5

A **Science Project Model** for classes 5th to 10th has to be created by each class and section as a group along with the respective class teacher.

This project will build the team work, practical experience and also seek the talent and enhance the scientific and technology mind set.

★ IMPORTANT NOTE

Note that all these activities and projects will be counted in **curricular activity scores** of each student's marks of this session in the upcoming exams, performance of teachers and annual day award ceremony.
